for a Certificate of Public Convenience)	APPROVING
and Necessity to Provide Intrastate Resold)	CERTIFICATE

Alternative Regulation of its Business)	
Service Offerings.)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of CIMCO Communications, Inc. ("CIMCO" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1996) and the Regulations of the Public Service Commission of South Carolina. By its Application, CIMCO also requested that it be granted regulatory treatment similar to that granted to AT&T Communications of the Southern States, Inc. ("AT&T") by Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C.

The Commission's Executive Director instructed CIMCO to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of CIMCO's

Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. CIMCO complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. A Petition to Intervene was received from the Consumer Advocate for the State of South Carolina (the "Consumer Advocate").¹

A hearing was commenced on November 6, 1997, at 10:30 a.m., in the Commission's Hearing Room. The Honorable Guy Butler, Chairman, presided. CIMCO was represented by Frank R. Ellerbe, III, Esquire. Florence P. Belser, Staff Counsel, represented the Commission Staff.

Thomas B. Jones, Marketing Manager of CIMCO, appeared and offered testimony in support of CIMCO's Application. The record reveals that CIMCO is a privately-held corporation organized under the laws of the State of Illinois and is authorized to transact business in South Carolina as a foreign corporation by the South Carolina Secretary of State. According to Mr. Jones, CIMCO proposes to offer long distance services using resold transmission services of underlying carriers which are duly certified by the Commission. Mr. Jones explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a reseller. The record reveals the Company's

services, operations and marketing procedures.

Mr. Jones also explained that CIMCO possesses the technical, financial and managerial abilities to provide its services in South Carolina. Finally, Mr. Jones testified that the Company would operate in accordance with the Commission rules, regulations, guidelines, and Commission Orders.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. CIMCO is organized as a corporation under the laws of the State of Illinois and is authorized to do business as a foreign corporation in the State of South Carolina by the Secretary of State.

2. CIMCO operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.

3. CIMCO has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to CIMCO to provide intrastate interLATA service and to originate and terminate toll traffic within the same LATA, as set forth herein, through the resale of intrastate Wide Area

Telecommunications Services (WATS), Message Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for CIMCO for its resale of residential services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. CIMCO shall not adjust its residential rates below the approved maximum level without notice to the Commission and to the public. With regard to adjustments to residential rates, CIMCO shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a

general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S. C. Code Ann. §58-9-540 (Supp. 1995).

4. With respect to business service offerings, credit card services, operator services, and customer network offerings, tariff filings will be presumed valid upon filing. If the Commission institutes an investigation of a particular filing within seven (7) days, then the tariff filing will be suspended until further Order of the Commission. Any relaxation in the future reporting requirements that may be adopted for AT&T shall apply to CIMCO also. Staff is instructed to monitor the Company using the same monitoring process and techniques as are used to monitor AT&T.

5. CIMCO is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

6. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

7. CIMCO shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If CIMCO changes underlying carriers, it shall notify the Commission in writing.

8. With regard to the origination and termination of toll calls within the same LATA, CIMCO shall comply with the terms of

Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

9. CIMCO shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

10. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relation (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours. CIMCO shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. (Attachment B shall be used for filing the name(s) of regulatory contacts.) Further, the Company shall promptly notify the Commission in writing if the representatives are replaced, and the Company is directed to comply with the Commission regulations unless waived by the Commission.

11. That this Order shall remain in full force and effect
until further Order of the Commission.
